

The image displays a repeating pattern of the year '1961' and the word 'VIGNETTE' in a light blue, sans-serif font. The text is arranged in two columns, with '1961' on the left and 'VIGNETTE' on the right. The pattern is repeated vertically, creating a rhythmic visual effect. In the center of the composition, one instance of the text '1961 VIGNETTE' is highlighted in a vibrant red color, standing out from the surrounding light blue repetitions. The background is a solid, muted olive green, which provides a subtle contrast to the light blue and red text.

VIGNETTE 1961

*It is not possible to express fully our feelings about Mr. Gannon who recently passed away after giving thirty-one years of his life to teaching.*

*He handled his classes with skill, firmness, and a touch of humor. Throughout the years Mr. Gannon taught us the values of being punctual and considerate of others.*

*Our Mr. Gannon created nothing but respect and love. When we needed help, he gave it freely and warmly; when we needed prodding he gave it firmly but gently. Mr. Gannon was more than a teacher to us, he was a wonderful friend.*

THOMAS D. GANNON, B.A., M.A.

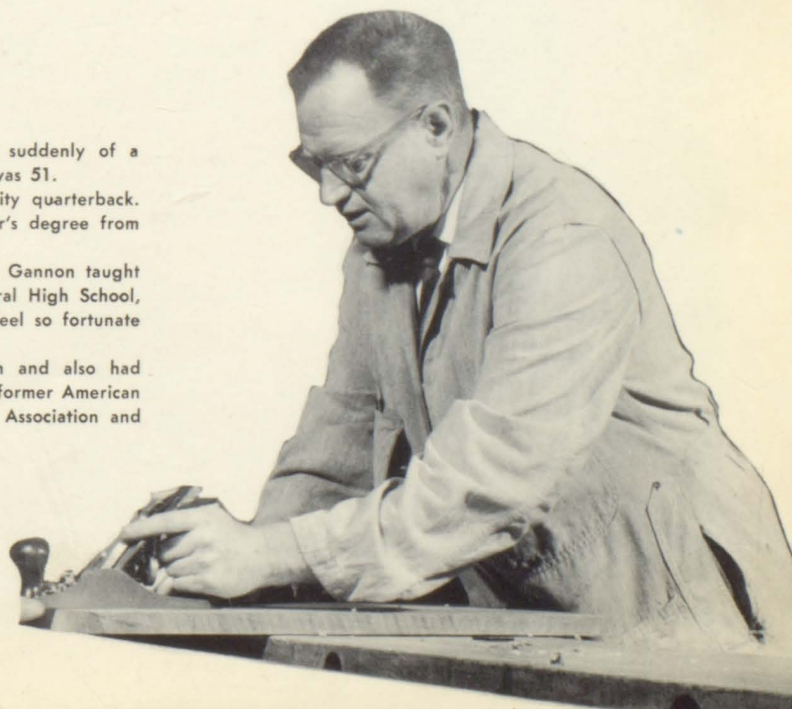

*Industrial Art*

Thomas Dean Gannon of 160 Mountainview Avenue, Nutley, died suddenly of a heart attack on February 6, 1961, in Clara Maass Memorial Hospital. He was 51.

He was graduated from Central High School, where he was a varsity quarterback. He received his bachelor's degree from Rutgers University and his master's degree from Seton Hall University. He was a Navy veteran of World War II.

Before coming to Arts High School as an industrial arts teacher, Mr. Gannon taught at State Street School, Eighteenth Avenue School, McKinley School, Central High School, and McKinley Junior High School. One can understand why we at Arts feel so fortunate to have had his sagacious instructions.

During his teaching curriculum, he was an assistant football coach and also had officiated at high school games throughout the state and for games of the former American Football League. He was a member of the New Jersey Football Officials Association and of the Newark Teachers Union.

# ADMINISTRATION

By sheer force of character and complete interest in and command of the school, Dr. Seamster lends to Arts High an air of seriousness, warmth, and harmony. His quiet concern with every Arts High student has always made us feel free to present our problems and little puzzlements to him so that we might have the benefit of his counsel and judgment. Always under the influence of his fatherly eye we, the students, are eager to better ourselves and our school. As a sincere and devoted administrator and headmaster, Dr. Seamster is admired by all who know him.

*Vice-Principal*

A black and white photograph of a woman, likely a secretary, sitting at a desk. She is smiling and looking towards the camera. She has short, dark, wavy hair and is wearing a light-colored, possibly beige or cream, jacket over a dark top. A pearl necklace is visible around her neck. Her hands are resting on papers on the desk. To her left, a typewriter is partially visible. In front of her, there are several papers and a small, dark, rectangular object, possibly a desk set or a small box. The background shows a wooden desk and a wall with a door or paneling.

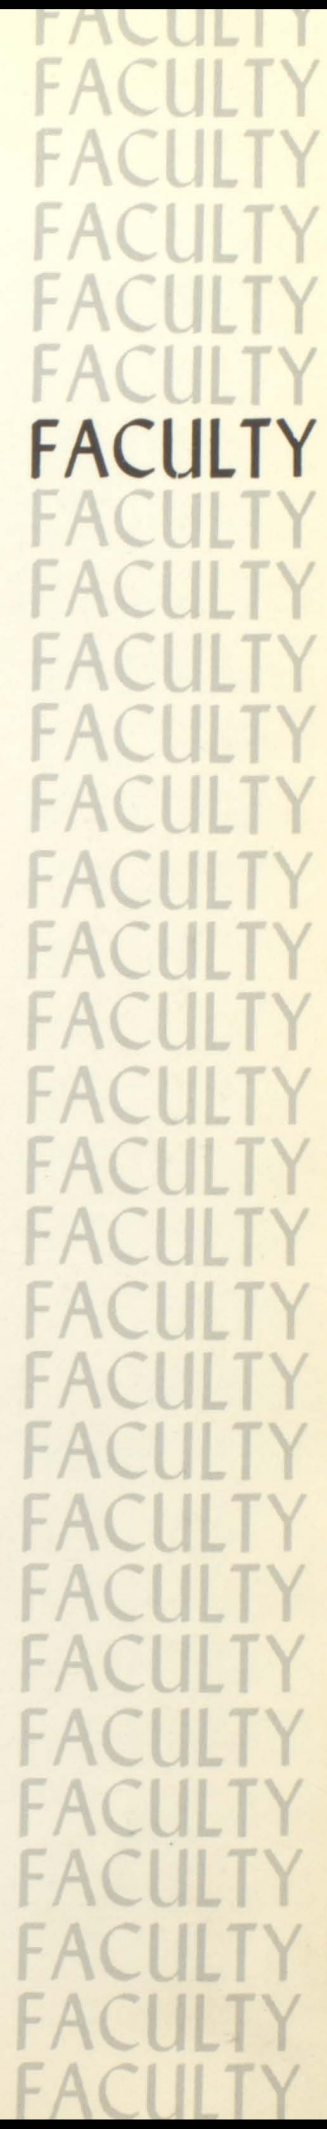

*Our office staff members, Mrs. Shirley Zones and Miss Joyce Melillo, perform their duties very effectively and efficiently.*

# MADAME BUTTERFLY

"Un Bel Di" is sung by Butterfly (Josephine Graziano) as she imagines Pinkerton's return.

With mixed emotions, Butterfly (Elaine Sepe) and her maid, Suzuki (Allie Jefferson) join in this familiar "Flower Duet."

In probably the most beautiful of all "entrances" in the grand opera, Butterfly (Josephine Graziano) appears with her friends for her wedding to Lieutenant Pinkerton (Kenneth Lancin).

It is Sharpless (Paul Horniacek), the American Council, who must tell Butterfly (Carolyn Slade) that Pinkerton will never return to her.

Butterfly (Josephine Graziano), with her friends, prepares for her marriage to Lt. Pinkerton.

Stephen Burrows as Goro, the "marriage broker."

The Duet Scene from Act I.

Following the wedding ceremony, Butterfly (Elaine Sepe) and Pinkerton (Kenneth Lancin) join in the magnificent duet closing Act I.

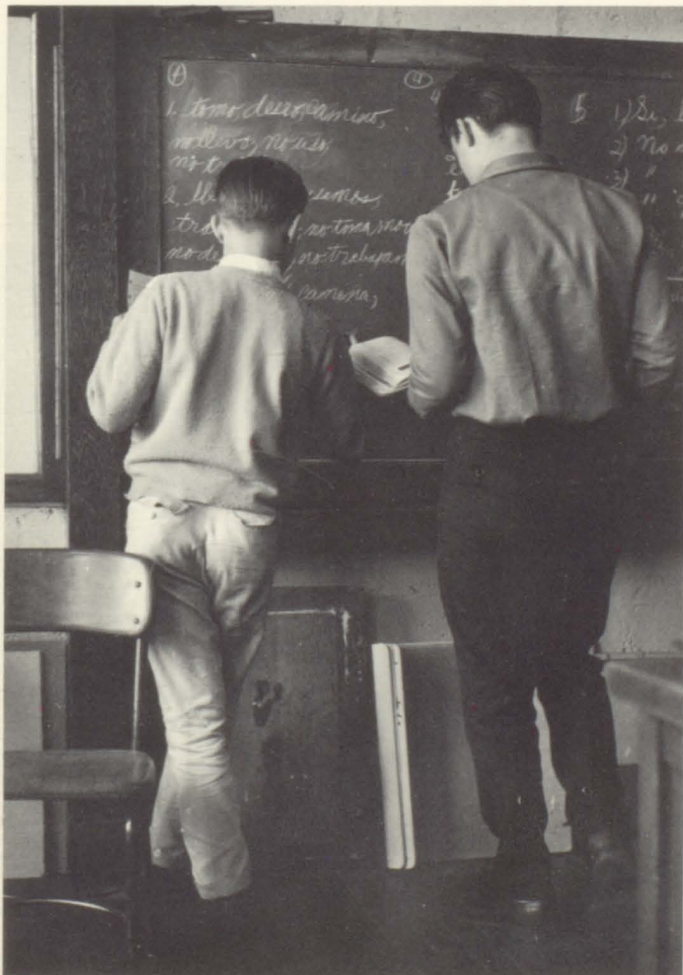

*The climb is not so steep, the top so far,  
The hills ahead look larger than they are.*

The Faculty-Varsity Game is an event looked forward to by everyone at Arts. It provides laughter and entertainment for both the students and teachers and promotes good student-teacher relationship. Both teams are given a chance to show off their athletic powers but the teachers always manage to beat or tie the Varsity Team.

## VARSITY BASKETBALL

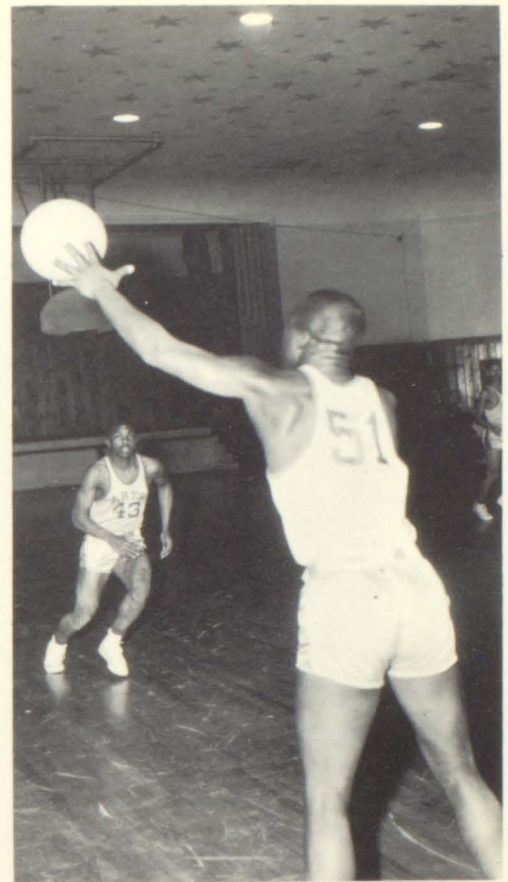

The 1960-61 basketball season proved to be a difficult one for Coach Voller because of the loss of many key players. However, the team had a great deal of height which helped in winning many games.

Although the team had dropped below a .500 record, morale was high. Coach Voller calls his boys "faithful, conscientious, and hard playing."

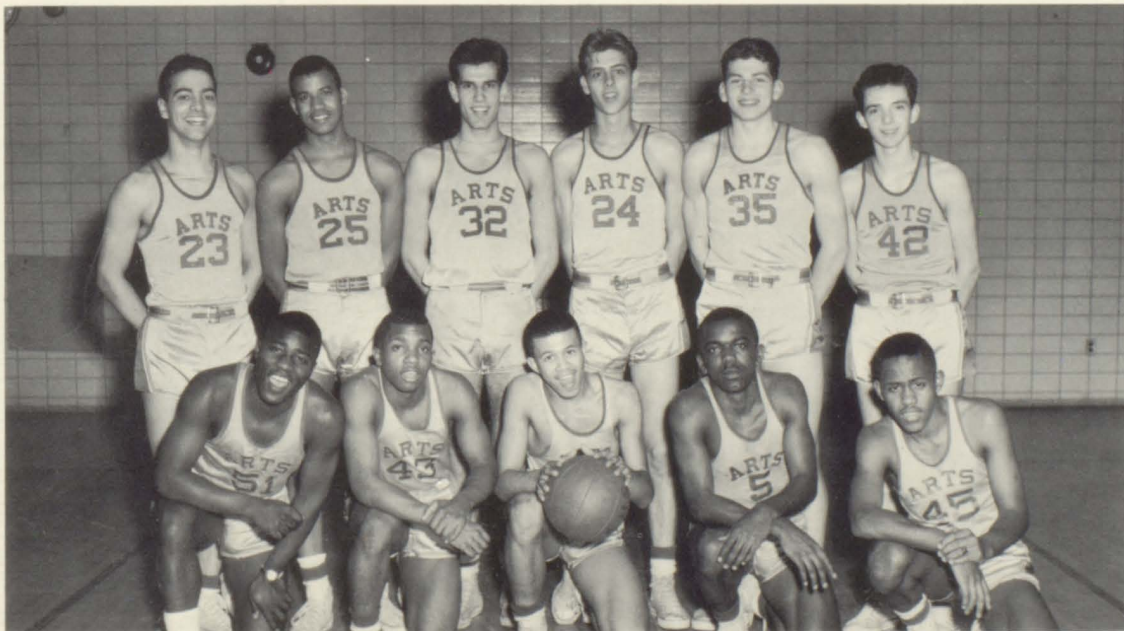

Junior Varsity Basketball Coach Lang was particularly pleased with the hard playing of his team during the season. Outstanding Junior Varsity players were Aurelio Catalano, Bob Catanio, Lee Kozas, Larry Caulton, Robert Fisher and Joe Towe. Other players were Ray Bristol, Ken Brown, Arthur Coles, Rich D'Amato, Sam Hardy, Will Haymon, Willie James, Ted Morrison, Mario Rebello, Joe Biondo, and Norman Jackson.

STANDING, left to right: Pat Piegari, Cyril Good, Richie Nebiolo, Dennis Wolloch, Vlad Palowski, Joe Nemeckay. FIRST ROW: John Utley, Roy Street, Ed Miller, Tyrone Washington, Willie Stewart.

Arts High placed fifth in the city meet.

The man in the foreground is looking down, while the others look towards the camera or slightly away. In the background, other people are visible, including a shirtless man standing and another person sitting. The scene suggests a poolside or locker room setting.

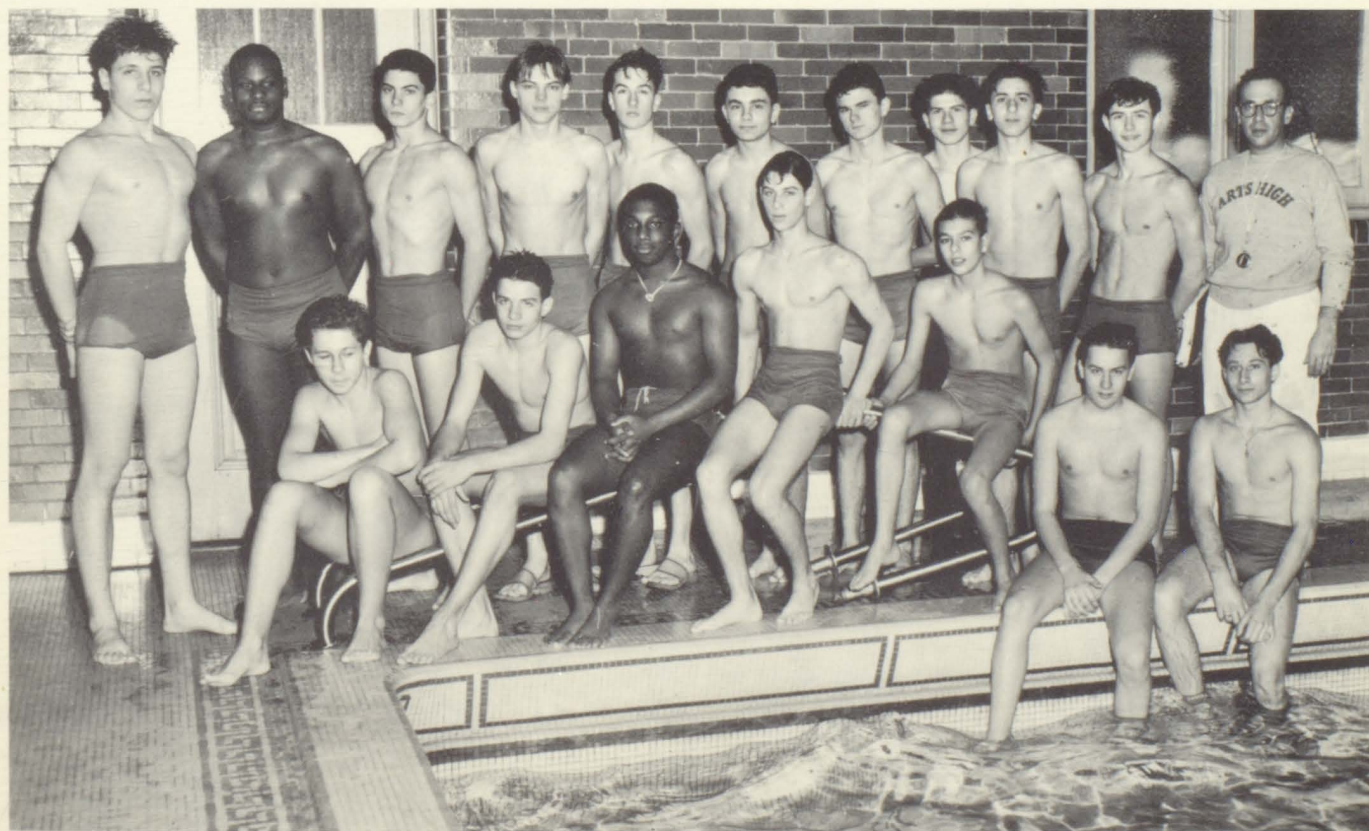

*Robert Tarr begins the 160 yard free-style relay.*

The Swimming Team is composed primarily of freshmen and sophomores and will not reach its full potential for a year or so. This year, because there has been no one to fill the gaps left by recent graduates, the team has scored only 3 wins, with 6 losses and 1 tie.

The veterans are Pat Klotz, John Monstroski, Paul Di Martino, Leslie Wintsch, and co-captains Andy Dutkewych and Arlindo De Oliviera. Other valuable team members have been Al Birch and Robert Tarr.

## W/AD CITY CLUB

"Come on Arts High get that ball and get it in," get hep, we're in step!

The Varsity Cheering Squad, under the capable leadership of their captain, Marion Herckner, has kept up the morale of the entire team and the coaches by their loyalty, their faithfulness, and their bubbling enthusiasm even when the team was not victorious. Their friendly behavior, their neat appearance, and their fine sportsmanship has made everyone at Arts proud of them. These girls have truly represented the school in the best way possible.

They are rated by their teachers according to the amount of service they have rendered. All A-Pin holders are on a committee to compile records of the accomplishments of all students, to evaluate each record, and to announce the new holders.

## ART SERVICE CLUB

The purpose of the Art Service Club is to provide service through art to the school and to the community. Under the supervision of Mr. Gommoll, the club offers opportunities for artistic development and advancement to those students who are interested. Several times during the school year, the club members plan excursions and field trips to places of art interest. Their contributions to the school are of major importance.
